* An **INLINE** configuration is any booth(s) that are open at the front only, and are surrounded by other exhibitors on both sides and the back. A **CORNER** configuration is open at the front and one side, with another exhibitor behind and on opposite side. An **ISLAND** set-up is open on all four sides and is not adjoined to any other exhibitors. A **PENINSULA** configuration is open at the front and at both sides, but has another exhibitor behind. A **BOOK-END** configuration is two or more booths facing one another on either side of an aisle.

Please complete and return this form to shows@imprintcanada.com; or fax (905) 856-2667 / 1-877-895-7023.
